

## Vision

Samuel K Designs provides homeowners with timeless, classic designer windows for any traditional or contemporary home. Compared to costly stained or leaded glass windows, a Samuel K designer window makes breathtaking views possible for your home and budget. We've revolutionized the window industry and are committed to providing our customers with innovative, original designs that highlight the beauty of their individual homes.

FACT SHEET

## Designs

Samuel K Designs are the highest quality; hand assembled designer window products in the market today. The seamless, layered designs allow you to create a one-of-a-kind design for your window, or you may opt to choose from our portfolio of hundreds of designs, shapes, and colors to make your vision a reality. A Samuel K designer window is the look you've been searching for at a price you can afford.

## Values

Samuel K Designs is the premiere provider of high-end window accessories at an affordable price; costing one fourth the price of leaded glass and the same or less than top-of-the-line shutters. Whether you've imagined an intricately crafted custom design for your garden tub window or a simple overlay for your front door, we guarantee your satisfaction with the quality and durability of every design. Samuel K uses only the finest materials available to create a flawless look when taking your windows from ordinary to stunning.

## Availability

Samuel K Designs operates with a modular setup that is not limited to resources. The product is demand-ready and can be customized and shipped within 10 days from the day the artwork proof is approved.

A Samuel K Window is the look you've been searching for at a price you can afford. We make each design to fit the specifications of your :

- Garden Tub Windows
- Shower Enclosures
- Foyer Windows
- Entrance Doors
- Sidelights and Transoms
- Oval, Octagon, or any irregularly shaped windows

## Solutions

- Applied directly to your existing window, no need to replace any glass
- Custom fit to any size or shape of window, no trimming
- Enhances the integrity of the glass and creates a safer window
- Creates a privacy barrier for your home and family
- Easy to install: No drilling or pressure sensitive adhesives
- Energy Efficient: Complete with 98% UV protection inhibitors to protect your home, furniture, and floors from the damaging rays of continuous sun exposure
- Leaves no residue should you ever have to remove the design

## Warranty

All Samuel K Designer Windows come complete with a 10-year limited warranty against delamination, peeling, and discoloring. We guarantee your satisfaction with the lifetime of your product.
