Now in Our New Facility

My Mercedes and Bimmer Place is licensed and insured and has been in business since 2003. We take pride in the fact that we do not 'up sell' repairs, and no work is performed without your consent.

Our pleasure is to offer you the finest repair service with the opportunity to talk directly with the owner and the technicians who work on your car. We are an independent shop and are not affiliated with any other shop, Mercedes Benz or BMW dealerships.

Factory-Trained Technicians

For first class auto repair, we use new, state-of-the-art equipment to repair your car with care. Most extended auto repair warranty programs are honored. Honest and superior high line service at a fair price. Servicing your vehicle with us does not compromise factory warranties.

What Sets Us Apart

- Reasonable pricing
- Efficient turnaround times
- Accurate diagnosis and repair
- Direct relationship with the principals and the technicians
- Easy to read invoices with explanations you can understand
- No hidden or extra fees.
- No commission-paid employees

Services

My Mercedes & Bimmer Place takes pride in offering honest, superior auto repair service at a fair price. Owner Danny Brewer is a factory-trained Mercedes Benz technician with 19 years experience.

From repairs to scheduled maintenance, only new original equipment Mercedes Benz parts and BMW parts are used. Our diagnostic equipment, which includes specifically made computers, allows fast and accurate diagnosis of your car's various systems.

Tires and Alignment

German-made computerized alignment equipment was designed specifically for Mercedes Benz and BMW automobiles. Four-wheel alignments are based upon original manufacturer specifications to maximize tire life and ride comfort.

We encourage you to locate the best buy on tires, and we will mount and balance them for you.

Other Services

Other auto repair services include paint-less dent removal, windshield repair/replacement and complete detailing services.
